

Memory Lane Portraits LLC.

Wedding price list 2008

Memory Lane Portraits is an heirloom quality award winning photography studio. We specialize in capturing emotions, expressions and relationships that help tell a strong story within every image. We have over 20 years of combined experience. Our experience allows us to draw from many different styles although we prefer to adapt our style to your personalities and relationship. By doing so your finished album reflects you. Our styles options include but are not limited to classical, photojournalistic, fashion/contemporary, impressionistic and traditional. Each wedding will employ some, if not all of these styles. We are happy to show you more of our award winning images. Call today and schedule your design consultation.
